2) Thus, they shall have the right to an open source internet with no, censorship, no internet kill switch, no unlawful bans of accounts due to thus an software ai glitch if tus so most check and always verify with an real human not AI, no age verification since King Tut was a child king and thus hurt the Republice of Mattolina/Shanwii Island which unlwawful.

3) The right for all humans to be free of expressions, religion, arts, internet, money of currency to thus shall own, and have independent thought with an well regulated mind with out the concern if an POS system restrict someones thought.

4) You'll have the right to vote the max term of the Mattolina Island election is eight years because it's a lucky number thus, every eight year,s the leader shall Get ready for the Mattolina/Shanwii Island Election.

5) Shall thus be no racism, slavery, or any nucks that harms humans where as this hurts both whether national security of Mattolina/Shanwii, Note no bad lust to women, because women are not stupid and feel the heart, becuase women brings life, that's why boomers we have an popluaton decrease, respect humans, Men, Women and creatures as it is Dogs, Cat's and any pets not Chicken,

Cows, or any meat that consider food no grown meat only meat harvest from animals, Chickens, Beef, Fish, like these examples not Dogs, Cat's, Pigeons or pets or any endanger species that not consider food from the Mattolina Deparment of Foof and Drugs admidstrationall. Shall thus race of genders, and disabilty of person shall be respected. The exception would be to use popular love videos as education to produce a human of this life to prevent humans of thus extinct for conservancy of human race especially the Matthew William Vega population of 1946. But check your local laws, laws may change over time.

6) Thus, the right to a fair and free trial. Of the crimes or laws broken and will be read the Matto Waves Baker Rights from a government of Mattolina/Shanwii officials and fairly.

7) The right to a fair economic environment no more thus no rich just only for all wealth thus the great deeds to contribute in Mattolina/Shanwii Island.

8) You have the right for children & teens under 17 years of age to be protected by the mental & physical breakdown natto acts. The right for these age groups to not have harsh punishment or problems that can lead to mental problems in adult development.

9) Thus, they have the right clean environment & and a great sense of mental illness support of mental awareness. So you shall not destroy the heart of your state, thus shall have mental support of any kind person, pets, plants, and all living
creatures.

10) Shall have the right to defend yourself responsibly of the hit first threat, rule if you didn't hit first. But you are to defend yourself responsibly.

11) The Beacon of Scapegoat Acts, shall prohibit unlawful unfair arguments or debates that do not correlate with the problem and thus cause unlawful issues that hurt Mattolina/Shanwii Island under 7 seconds that can prevent thus conflict that hurt reputation.

12) Shall the right if I buy something you own it, Also the right to make any software free software where you see the items and no any drm due to POS system national secret of payment say be free software.

13) Shall the right to equal food, water, and shelter no unfairness or monopolies of doing business in Mattolina/Shanwii Island.

14) Thus, they shall have the right to a free, open source internet with no censorship and age verification, even with adoption for only educated, regulated adults.

15) Shall have the best tax system with no force but automatic where you don't notice and tax will always at 2.22% sales tax only on computers, games coffe, thus shall no be interest of any property tax or other such taxes that hurts economic adequate working conditions of Mattolina/Shanwii Island.

16) Shall have the right to a lawyer.

17) Shall have the right to be free as adults make work play nor shall be not do slave labor and thus shall make having humans an assest not an liability.

18) Lastly, I want to have the right to have fun and enjoy the new World. Note that this Constitution might be updated from time to time every eighteen years if some things accrue. Otherwise, it can be overruled and change the constitution to add, of course, the rights I'm sure they would need in the future.

18K) Make having humans an asset, not a liability, since humans cost money.
